

2nd March 2017

Dear School Community,

Garden of Peace

Our Young Enterprise Group is raising funds to develop a 'Garden of Peace', which will be located at our main entrance and will commemorate the centenary of the end of World War I. This will be a spectacular visual experience for visitors to our school and will provide a space where people can reflect, think creatively and develop their spiritual awareness. Our design team, led by Mrs Lowe and Mrs Burton, is also planning a special service of peace and remembrance which will mark the official opening of the garden.

We would like to offer you a unique and special opportunity to purchase a paving stone which will be laid on our 'pathway to peace' in the garden. Each paving stone will be professionally engraved with your name, family name or an inspirational quote. You may wish to purchase an individual stone for each family member, one stone depicting your family name, for example, 'The Smith Family' or stones with quotes about peace engraved on them. The quotes will require larger paving stones.

We welcome corporate sponsors and our School Chaplaincy Group have decided that it would be fitting for sponsors' names to be part of a wonderful piece of artwork that has been designed by pupils.

The Enterprise Group have calculated manufacturing costs for individual stones at £15, in addition to construction costs. Therefore, a standard paving stone will cost £20 to buy, whilst a larger stone, engraved with a quote, will cost £100. We are grateful for sponsorship for the Peace Garden from North West Reclamation Ltd and AquaSpira and any profit generated by our Enterprise Group will contribute to the purchase of a new school minibus.

Further information about the project and online purchase information can be found on the school website. This is a community project and we would be grateful of any skills, sponsorship or general support that you would like to offer. If you would like to help or make suggestions about the project, please contact us via email head@sarchs.com or by telephone through the main office.

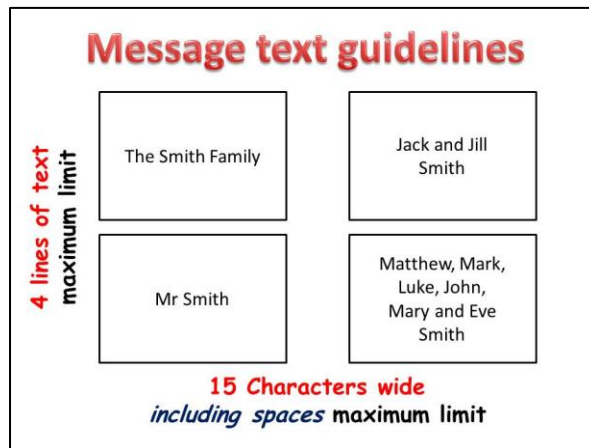

If you are in contact with any members of the school community personally, through social media or in any other way, please tell them about the project. When St Augustine's celebrated 50 years of outstanding Catholic education we were overwhelmed by the enthusiasm and commitment from our school community, both past and present. We now invite you to commemorate another important milestone in our school's history.

Our vision for the pathway is a celebration of people from all generations of the school community. Please support us!

Please find a booking form to purchase a stone overleaf. We look forward to receiving your order.

Yours sincerely,

On behalf of
SARCHS Young Enterprise Group

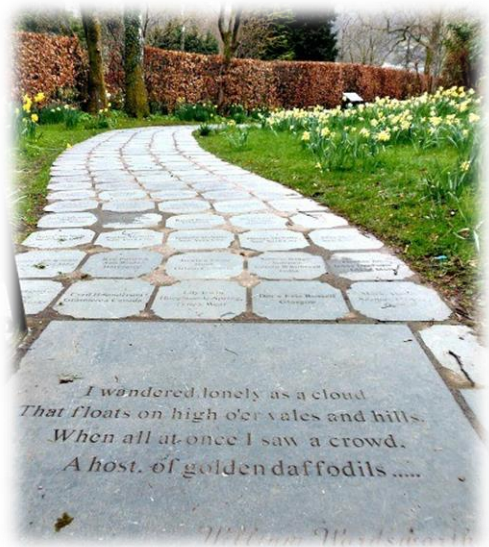

Online Purchases

Follow the link to our Just Giving page:

<https://www.justgiving.com/crowdfunding/sarchsgardenofpeace>

Make your payment and **enter the name/quote that you would like on the paving stone in the supporting message**

Please return cash/cheque payments to school

Order form for name stones (£20 each)

Name: _____

Email: _____

Address: _____
