

Saint Augustine's R C High School
Minutes of Learning Support Careers & Transitions Information Evening
Wednesday 8th March 2017
7.00pm – 8.30pm

Parents and Carers of pupils in Years 9, 10 and 11, who receive learning support in school, were invited to attend a Careers and Transitions Information Evening which formed the focus of the Learning Support Positive Support Group for the spring term.

Local Colleges and Training Providers were invited to have a 'stand' at the event so that families could visit them for guidance, information on courses offered and discuss support provided within their further educational settings.

The evening was very well attended by both parents and providers alike with positive feedback received from all.

Our sincere thanks go to the following that were represented on the evening:

Accrington & Rossendale College (www.accross.ac.uk)
Blackburn College (www.blackburn.ac.uk)
Burnley College (www.burnley.ac.uk)
Café Autisan, Whalley (www.autism.org.uk)
